REGISTRATION

The registration desk will be located close to the Main Conference Room.

Upon registration at the desk, you will receive your badge, vouchers, and summer school materials. To facilitate the process please bring with you the *registration confirmation*. You are kindly requested to wear your name badge during all events of the conference.

ACDL 2019 is a full-immersion advanced course on cutting-edge advances in data science and machine learning. The course provides a stimulating environment for doctoral students, early career researchers and industry leaders. The school will be lectured by world-renowned experts of data science and machine learning.

Poster Session, July 15, 18:10-19:30

For your poster, a board will be provided which measures 90cm tall by 70cm wide. You need to print and bring with you the poster to the school. Push tacks or velcro adhesive will be provided at the conference to mount your poster to the board.
